

Emergency Preparedness Communications Exercise June 22 - 23, 2024 7300 River Rd, Hodgkins, IL All are Welcome

In an Emergency, with Power Outages, Cell Phone Systems inoperable, and no Internet, Amateur Radio Operators relay urgent messages using Voice, Morse Code, and Computer-generated text sent over Radio

During this Field Day Emergency Simulation and Demonstration, short messages with specific information, are exchanged with other Stations all over the United States and Canada

Members of STARS Amateur Radio Club are participating in the 2024 ARRL Field Day at Santa Fe Prairie State Nature Preserve at 7300 River Road in Hodgkins, IL. Please join us and learn about Communications Emergency Preparedness, and take a tour of the Santa Fe Nature Preserve and Caboose. All are Welcome!
